Jacob Sikim

Founder

"Hi, I'm Jacob Sikim, the owner of this shop. I love berries and soursop fruit. In 2013, I began a small online business to share my passion for fruit with others. Through time, I have learned what people need and like, which is why my choices have led me here to create Frutify. We hope you will have a good time while shopping our store!"

Our News

Bio Fruits are getting more and more popular each passing day, as they have now become a part of American diet.

You will vainly look for fruit on it in autumn.

Admin 27 December, 2019

Some of the trees on the west and south have begun showing a tinge of yellow to their leaves but that isn't the only change we see in late summer.

A man's worth has its season, like tomato.

Admin 14 December, 2019

With its unique planting process, it grows quickly and takes up little space, but means big harvests all summer. Just bury the seeds in dirt and they will grow, with few pests and plentiful crops.

Good thoughts bear good fresh juicy fruit.

Admin 27 November, 2019

The juice of the pomegranate is been shown to provide potent antioxidant activity. Antioxidants help scavenge free radicals in the body, prolonging life.
